“NO SHOW” POLICY

Retina Associates is implementing a “no show” policy effective September 1, 2023. A patient will be considered a “no show” if an appointment is missed or cancelled with less than 24 hours notice. When this occurs, we lose the opportunity to care for other patients who wish to be seen. It is the patient’s responsibility to keep track of the appointments scheduled, and either keep the appointment or reschedule at least 24 hours prior to the appointment time.

If a 24-hour notice is not received, a fee of \$50.00 will be charged to your account. This fee is the sole responsibility of the patient.

We value our patient/doctor relationship, and we will do everything we can to accommodate you.

Thank you for your cooperation!
